Head of Secondary

I would like to take this opportunity to thank all of the staff and pupils for making St Christophers the special place that it is. The support of the parents has been amazing as always and I thank you for that. Best Wishes Niall

World Book Day

All of the students & staff celebrated another fantastic World Book day. It was wonderful to see so many students & staff dressed up as their favourite book character. Students took part in lots of reading activities, which included: Listening to stories, sensory stories, making book marks, story massage, just to name a few.

As a whole school we took part in a sponsored Readathon. This was a huge success with over 33 reading activities taking place throughout the day! All money raised will be used to upgrade our current Secondary library with some new, exciting books. Thank you for all of your continued support.

Pupil Voice

Our student voice at St Christophers is made up of 4 groups, we have; Activities (blue), Environment (Green), Food (Yellow) & Building Project (Red).

This year we are all focusing on community engagement, within school, across the federation and our local community.

So far this year, we have visited the primary school and St Francis School. We have loved seeing old friends and meeting new people. St Francis even came to visit us!

We have lots of exciting projects for the rest of the year, more about them all in the next newsletter!

Scouts

In January we launched a Scouting Provision at our Secondary school. The Scouting aim is to develop #SkillsforLife for its young members and is based on 5 Key Values: Integrity, Respect, Care, Belief & Co-operation.

We have already taken part in activities including: Teambuilding, Firebuilding, Tent Building and a 7.5 mile Hike!!

The young people have already commented on how Scouts is helping them to become more confident!
